

Good Morning from St. John in the U.S. Virgin Islands

From Gerry Hills, Dartmouth 1968 and President of

Dartmouth Alumni Club of the Virgin Islands (DACVI)

DACVI is pleased to invite Dartmouth Alumni, and their guests, to our second Virgin Islands Flotilla. We completed the first flotilla in May of 2013, and are planning the second one for May 11-20, 2014. We travel counter-clockwise around the British Virgin Islands for 9 nights, leaving from and returning to Road Town on Tortola. This email (and snail mail) is going to the classes of '65 - '75, but alums from all classes are invited.

You don't have to be an experienced sailor to join -- you just need to like having fun.

The first flotilla had 7 Dartmouth alums and 6 spouses, classes from '66 - '71. We had two 51 foot Benetaus from Conch Charters, Tortola. This year, DACVI is sponsoring Flotilla II, Return Of The Green. We are hoping for a good turnout.

A trip report and numerous photos are on-line at

[http://www.dartmouth68.org/Class%20Events/2013\\_virgin\\_islands\\_flotilla.htm](http://www.dartmouth68.org/Class%20Events/2013_virgin_islands_flotilla.htm).

We are asking for your assistance in sending this to your classmates, either in the Class Notes section of the DAM, or in your Class Newsletter. We need to start getting boats reserved by the fall, probably November at the latest.

The Dartmouth Alumni Club of the Virgin Islands is the newest (and probably smallest) Dartmouth Alumni Club, but we have the best meetings. Currently there are 15 memberships, with alums from 5 Caribbean islands and 8 U.S. states. For information on Flotilla II, Return Of The Green, send an email to [stjohncaptain@aol.com](mailto:stjohncaptain@aol.com).
